WORK EXPERIENCE

Seymour Duncan — Quality Assurance Tech

July 2022 - Present

Leading Manufacturer of pedals, pedal amps, bass, and guitar pickups. Oversee production quality issues. Test and fix incoming RMA's. Ensure raw materials from vendors are within specifications.

Key Accomplishments:

- Investigated and helped reduce the total amount of waste or scrap.
- Collaborated with a team of 3 Employees to maintain high-quality products.
- Learned how to troubleshoot PCBA's

Seymour Duncan — Production Lead

August 2021 - July 2022

Leading Manufacturer of pedals, pedal amps, bass, and guitar pickups. Manage the assembly line to ensure all 450 plus pickups are built with the highest quality.

Key Accomplishments:

- Facilitate work orders for a group of 10 to 20 individuals
- Collaborated with teams of 3 or 4 Employees to assemble high-quality pickups
- Embraced feedback or new ideas, with an open mind
- Motivated to improve
- Certified on how to Solder

Sprouts Farmers Market — Frozen Food Clerk

August 2020 - September 2020

A Supermarket Chain that offers a wide selection of both natural and organic foods. Responsible for ordering and restocking Frozen Food stock including over 100 SKUs.

Key Accomplishments:

- Facilitated the receiving and ordering of stock
- Organized the backstock into a more sensible fashion

Trader Joe's — Crew

August 2019 - July 2020

Neighborhood Grocery store that focuses on selling everyday grocery items. Accountable for providing excellent Customer Service while still restocking products.

Key Accomplishments:

- Facilitated and Managed the Cereal Section ordering the necessary stock.
- Restock many sections efficiently
- Acknowledged for Great Customer Service
